TEMPLE TERRACE GOLF & COUNTRY CLUB

Affordable Memberships for Your Lifestyle

Our historic golf and country club is located in the heart of Temple Terrace, Florida, and is a place you will be proud to call your “home away from home”. Join us, to escape from the stresses of everyday life, connect with family & friends, forge lasting friendships, and create a lifetime of memories. We offer ample opportunities for socializing, networking, dining, and recreation.

Our golf course is recognized on the National Register of Historic Places. The course was originally designed in 1921 by renowned architect Tom Bendelow and opened in 1922. The unique figure-eight design winds its way through the neighborhood making the golf course an integral part of our community. The club has recently completed a \$1.3 million dollar renovation of the irrigation system and bunkering.

We feature an active monthly social calendar, exceptional food and friendly service. Let our team help you plan your next wedding, birthday or retirement party, corporate dinner or golf outing.
